Agenda

1. Update on the Events sector, guidelines, and compliance, Nicole Swaggerty (Health Planner, MPH) and Events Review Team
2. [COVID-19 Health Dashboard](#) update on current health metrics and status, Loren Ahonen (Recovery Coordinator)

In the seven-day period from July 27-Aug. 2, we had four days with at least three positive tests. And in the 14-day period from July 20-Aug. 2, we had 50 positive test results come in. That 14-day average positivity is at 22.2%. We continue to meet two [indicators](#) for a move to yellow (three of seven criteria must be met). No other indicators have been met at this time.

Additional Information

Restaurant Subgroup Meeting – 8/12/20 @ 3PM

Brainstorming and planning between the restaurant sector and the recovery team for the change of season and associated impacts. The County's goal is to help find productive solutions to help the industry handle the transition to limited outdoor seating.
