KEY CONSIDERATIONS

- Businesses limited to 50% occupancy
- Restaurants at 50% occupancy/175 persons (whichever less)
- Gyms/Fitness centers at 25% occupancy/75 persons (whichever less)
 - Working with Building Officials to help understand occupancy in these areas for those who need it (Square footage/occupant load factor)
 - Due to forced exhalation with exertion and workout activities
- Places of Worship – Highly encouraged to consider digital options and heightened protections for at risk populations.
 - Must continue to follow hygiene and social distancing practices
- Personal gatherings less than 10 people from no more than 2 households
- Event sizes limited (25 indoors/50 outdoors)
 - All events must conform to this size
 - Future event approvals paused
 - All events must submit an ERMA regardless of expected size

ANTICIPATED CHANGES

- **On 11/16 the State indicated that they will be putting Gunnison County into additional restrictions based on the State Dial**
- This means continued adjustments to the occupancy thresholds
 - Bars/Restaurants at 50% occupancy/50 persons (whichever is less)
 - Gyms/Fitness Centers at 25% occupancy/50 persons (whichever is less)
- Places of Worship – Encouraged to be mindful of the occupancy. Think about maximum occupancy restrictions for other businesses in planning services
 - Must continue to follow hygiene and social distancing practices

HOLIDAYS & TRAVEL

- Consider what you can do personally to make a difference in reducing the risk of COVID spread
- Small decisions matter. Many cases associated with travel and with personal gatherings where we let our guard down
- Consider Thanksgiving plans carefully
- Single household is best
- Small gatherings better than mixing households/groups of 10 or more
- Virtual or outdoors is better than in person
- If considering travel or a holiday event, use this [resource](#) to gauge risk
