

# 3/1/2021 Updates

CJ Malcolm

Chief of Emergency Medical Services

Gunnison Valley Health

# Blue on State Dial

## Changes to Orders:

- ▶ Last call for alcohol moved to 12:00 AM
- ▶ Group sports and kids camps up to 50 people
- ▶ Gyms and fitness centers up to 50% occupancy or 100 people whichever is less
- ▶ Outfitters and Guides up to 25 people or 50% occupancy
- ▶ Restaurants 50% or up to 100 people whichever is less

## Changes to mitigation measures:

- ▶ Travel quarantine recommendations dropped
- ▶ Event sizes upped to 50 indoor and 100 outdoor. Events that are <25 people indoor or <50 people outdoors no longer require an event risk mitigation application ([ERMA](#)). Any event >25 persons indoors or >50 persons outdoors will continue to be required to complete an ERMA. We plan to move out of this mitigation measure stepwise instead of opening up event sizes all at once. We will monitor cases and update based on our data.

# State Changes Vaccination Phases

Move into 1B.3

5 Mar.

Sometime in April or May  
to move to general public

April or May

End of March

Predicted to move to 1B.4

# PHASE 1A

## **Highest-risk health care workers and individuals:**

- People who have direct contact with COVID-19 patients for 15 minutes or more over a 24-hour period.
- Long-term care facility staff and residents.

# PHASE 1B.1

## **Coloradans age 70+, moderate-risk health care workers, and first responders:**

- Health care workers with less direct contact with COVID-19 patients (e.g. home health, hospice, pharmacy, dental, etc.) and EMS.
- Firefighters, police, COVID-19 response personnel, correctional workers, and funeral services.
- People age 70 and older.

# PHASE 1B.2

## **Coloradans ages 65-69, pre-K-12 educators and child care workers in licensed child care programs, and continuity of state government:**

- Child care workers in licensed child care programs, teachers (full-time and substitutes), bus, food, counselors, administrative, safety and other support services offered inside the school.
- Select members of the Executive and Judicial branches of state government. \*note: members of the legislative branch have already received access to the vaccine.
- People ages 65-69.

# PHASE 1B.3

## **People age 60 and older**

### **Frontline essential workers in grocery and agriculture:**

- The intent of this classification is to prioritize current workers who cannot maintain physical distance from others at their place of employment, who work in close contact with many people, especially indoors, and in places with poor ventilation including meatpacking workers; grocery store workers; and agricultural processing workers.

### **People 16-59 with 2 or more high risk conditions:**

- The intent of this classification is to vaccinate Coloradans who have a high risk of severe outcomes from COVID-19. This includes Coloradans with two or more of the following: Cancer (defined as patients who are currently receiving treatment or have received treatment within the last month for cancer), chronic kidney disease, COPD, diabetes mellitus (types 1 and 2), Down syndrome, specific heart conditions (heart failure, cardiomyopathies or coronary heart disease, and severe valvular/congenital heart disease), obesity (BMI  $\geq 30\text{kg/m}^2$ ), pregnancy, sickle cell disease, solid organ transplant, individuals with disabilities who require direct care in their home, and people with disabilities that prevent them from wearing masks.

# PHASE 1B.4

The intent of this classification is to prioritize workers who cannot maintain physical distance from others at their place of employment and who work in close contact with many people, especially indoors and in places with poor ventilation.

- 
- **People age 50 and older**
  - **Student-facing higher education employees**
  - **Frontline essential workers in food/restaurant services**
  - **Frontline essential workers in manufacturing**
  - **Frontline essential workers for the US postal service**
  - **Frontline essential workers in public transit and specialized transportation**
  - **Frontline essential workers in public health**
  - **Frontline essential human service workers**
  - **Faith leaders**
  - **Frontline essential direct care providers for Coloradans experiencing homelessness**
  - **Frontline essential journalists**
  - **Continuity of local government**
  - **Continuation of operations for state government**
  - **Adults who received a placebo during a COVID-19 vaccine clinical trial**
  - **People 16-49 with one of the high risk conditions listed on the website**

# PHASE 2

## **General Public:**

- The intent of this classification is to vaccinate any Coloradans who were not included in earlier phases because they have lower risk of exposure or are less likely to have severe outcomes from COVID-19. May be further segmented by age if needed.

# Vaccines

- ▶ 7,528 total doses administered
- ▶ 2,977 individuals are fully vaccinated
  
- ▶ 490 first doses
- ▶ 830 second doses
