

3/29/2021 Updates

Joni Reynolds, RN/CNS, MSN

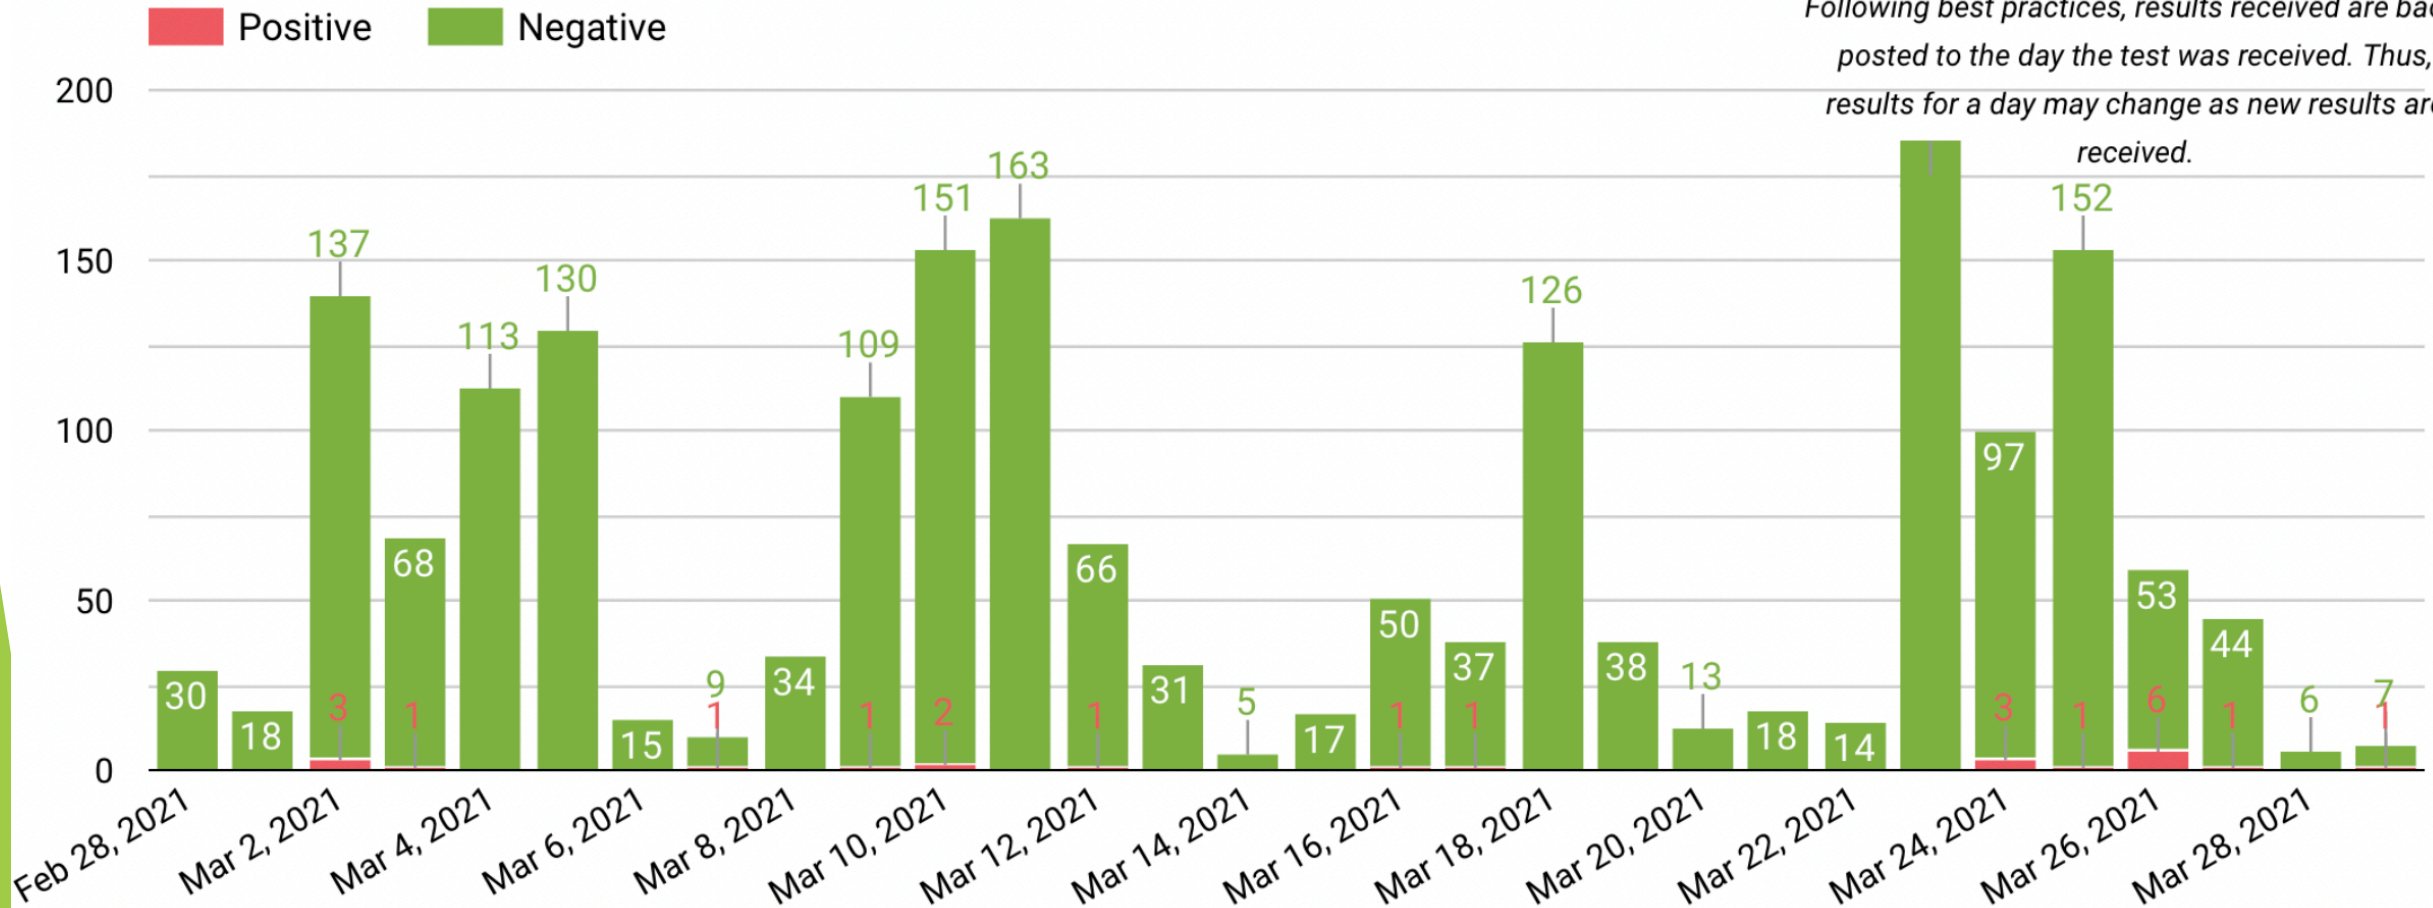

Public Health Director

Executive Director, Health and Human Services

GUNNISON COUNTY

Cases

Swab and Rapid Test Data (prior 30-days, updated Sun/Wed evenings)

* There are an increasing number of methods of testing, some involving significant delays. Following best practices, results received are back-posted to the day the test was received. Thus, results for a day may change as new results are received.

Spring Break Uptick

- ▶ We have had 12 cases in the last week
- ▶ We are now showing blue metrics on the state's case rate

Mask Mandates

- ▶ Green on the State's dial still does have a mask requirement
- ▶ We have a mask mandate at all levels of the County's Coronameter health order.
- ▶ Masks will be required at least through the month of June.

Numbers Update

Total Doses
Administered
11,517

Individuals Fully
Vaccinated
4,819

State Vaccination Level

- ▶ Starting Friday we will move to Phase 2 of vaccination
- ▶ We will continue to prioritize those that are at risk due to health condition, age, and occupational risk and then backfill with folks randomly selected from the general public
