Agenda

- 1. Summary of the American Rescue Plan & Related Programs**
- 2. Update on State Dial 3.0**
- 3. Public Health update and numbers**

Join us for a summary of the American Rescue Plan and the potential resources for our community. This includes an update about the Restaurant Revitalization Fund and the grant opportunities associated with the program. The American Rescue Plan also has provisions and opportunities for other crucial local resources like childcare and food security. This is a big bill, so this will be a high level debrief on the info available.

We will also discuss updates to the State Dial that are also set to be released over the weekend and finalized next week.

Additionally, we'll discuss more about what getting to Green on the Gunnison County Coronameter means.

Vaccine Interest Form

We have now advanced to the 1B4 group on the State's vaccination tiers. Just a reminder that at this point, vaccinations are not just age based. Instead, they are based on risks due to health conditions, risks due to occupation, as well as risk due to age.

Gunnison County continues to ask for your support in helping get members of our community into the [Vaccine Interest Form](#). The Vaccine Interest Form is the most effective way to forecast interest in the COVID-19 vaccine amongst which helps us coordinate dosage needs with the state.

Please help share the Vaccine Interest Form with your employees, families, friends, and neighbors.
