Agenda

- 1. Update on public health restrictions**
- 2. Public Health update and numbers**

Given the recent changes to the State's Dial 3.0, we understand there is a fair amount of information to be digested out on the internet and in the public eye. The update sent to all businesses on 3/25/21 is the summary of the changes to public health restrictions in our community. There will likely still be questions about some of these changes and we will cover those in the meeting.

We have also published the metrics for what it will take to reach Green on the Gunnison County Coronameter. These were reviewed on Tuesday, 3/23/21 and also sent out on 3/25/21.

Just a reminder to all, that the social distancing and facial covering requirements continue until the expiration of the Gunnison County Public Health Order.

Events Subgroup

All who are registered for the Events Subgroup should have received notification that we will be reconvening the Events Subgroup meetings on the first Monday of each month @ 10:30 am. The next meeting is slated for 4/5/21.

The ZOOM information was sent to that subgroup and the Events page on the COVID19.gunnisoncounty.org site has been updated with that information as well.

PPE for Business

A reminder, we have masks supplies for use in local businesses. Should you need to restock your supply for patrons/visitors, please reach out to the following people. We will supply them in boxes of 50-100 pieces.
