CURRENT PUBLIC HEALTH GUIDELINES

- Regardless of State Dial changes, the Gunnison County Coronameter still exists
- Social distancing and face coverings required at ALL LEVELS of the Coronameter
- Continue to maintain social distancing across your operations
 - For most, this serves as occupancy limit
- Bars can function as a bar but at 50% of posted capacity or 50 people – whichever is less
 - Last call is 2 AM
- If functioning as restaurant, must have retail food service and tables/table service
- Events require ERMA

PUBLIC HEALTH UPDATE

- 12 positives in the last week
- Positivity still low around 2%
- Incidence rate spiked a bit on the State metrics
- Continue to be mindful in a post spring break world

VACCINATION UPDATE

[Current Vaccination Phase \(click for more details\):](#) **1B4**

Vaccination Data (cumulative, update on Mondays)

Total Doses Administered	Number of Individuals Fully Vaccinated
12,387	4,575
Percent Over 65 Fully Vaccinated	Percent in our Database with Health Condition Scheduled for Vaccination
76%	98%

- State has announced that Phase 2 vaccinations can begin 4/2/21
- This is the general public
 - 16 and up for Pfizer vaccine
 - 18 and up for Moderna
- We still have folks with elevated risk due to health conditions, age, or workplace that need to be scheduled and will continue to do this in the coming weeks
- We will filter in Phase 2 as slots and dosage become available
