

6/7/2021 Updates

Joni Reynolds, RN/CNS, MSN

Public Health Director

Executive Director, Health and Human Services

GUNNISON COUNTY

A Collective Thank You

- ▶ Gunnison County has surpassed its goal of 10,000 fully vaccinated residents
- ▶ This is 69% of our population 16+
 - ▶ Nationally, rural communities have a vaccination rate of 39% in the population aged 18+
 - ▶ Statewide, rural communities have a vaccination rate of 49% in 18+
- ▶ *With the expanded eligibility, 65% of 12+ residents have been fully vaccinated*
- ▶ Reaching this milestone has taken a collective effort
 - ▶ Residents
 - ▶ Volunteers (who have now contributed over 25,000 hours to the pandemic response)
 - ▶ Gunnison County Staff
 - ▶ Municipal Staff
 - ▶ GVH Staff
- ▶ Without the engagement of our community we could not have achieved this success

Transitions in the pandemic response

- ▶ Having achieved Green on the Coronameter and with our status holding in regards to community transmission we are planning for transitions in our pandemic response
- ▶ Currently, we anticipate moving our written updates and virtual town halls to a bi-weekly cycle
 - ▶ This means the next virtual town hall and update will occur on Thursday 6/17/21
 - ▶ Following that, we will provide an update on 7/1/21
